

# Mark's Guns and Gear

## Consignment Agreement

Consignor agrees to place the items listed below on consignment with Mark's Guns and Gear to try to sell them under the terms of this agreement. Mark's Guns and Gear agrees to accept the items listed for consignment sale under the terms of this agreement.

Mark's will inspect all of the items listed in this agreement, and will determine condition and functionality. Mark's will write up the description and specifications necessary in order to offer the items for sale.

Mark's will offer the items for sale at its Kensett Ia location, or at gun shows. Mark's will also advertise the items as it deems appropriate.

While the items are in their possession, Mark's will be responsible for their care and security.

When the items consigned are sold and final payment is made by the buyer, the Consignor will receive the net amount within 30 days.

The Consignor represents that they are the rightful owner of the items listed, and that the items are free of any encumbrance.

The Consignor agrees that, as Mark's Guns and Gear is required to complete all inspections and specifications, prepare the items for sale, and advertise the items, that the items consigned will be left on consignment with Mark's for a minimum of 120 days. This agreement will continue indefinitely beyond the original 120 day period unless either party notifies the other of their intent to terminate it. Because a sale may be pending, or an advertisement just placed; the Consignor agrees to give thirty (30) days notice if the Consignor wishes to have items covered by this agreement returned.

While this agreement is in effect, Consignor agrees to grant the exclusive right to market and sell the items listed below to Mark's Guns and Gear.

**If the Consignor decides to have consigned items returned, Federal Law requires that the Consignor fill all appropriate forms as if they were purchasing the firearms.**

The consignment fee shall be 10% of the selling price of the item, with a minimum fee of \$30 per item, and a maximum fee of \$1000 per item. Fees for other services provided by Mark's Guns and Gear, (e.g. cleaning or repair) or for services provided by third-party vendors (e.g. auction listing or shipping fees) are additional and are not included in the consignment fee.
